

# Campus Collage

Oct 2014 - Feb 2015

## IT Fair

Oct 18, 2014

The innumerable tones of varied facets of information technology come together to create a breathtaking medley of our Internet oriented world. On 18th October 2014 the students of our school came together to replicate this mosaic through an engaging IT fair. The extravaganza of displays, such as power point presentations, talks on diverse topics, table top games and explanations along with exquisitely made charts succeeded in transforming the perspectives of many regarding the tangible minutiae of the virtual world. IT fair is more than just a display of what one can do with a computer, but is a holistic experience on how information technology has opened up new avenues of thought.

## Sports Day

Nov 6, 8 2014

Sports day infallibly fuels the fire to succeed in every student. It stands as a testimony to the spirit of sportsmanship, which our school seeks to nurture in every student. Upholding the values of our school the traditional slow march and march past regimes, lighting of the torch and oath taking was done with sincerity. Apart from the athletic competitions, tug of war matches were held to add an element of innovation. Another interesting twist added this year was the various stalls set up by the commerce students of 11th standard. The national anthem signaled the end to a brilliant day, which will forever be etched in the hearts and minds of the students.

## School Day

Nov 26,27 & 28,2014

The anticipation in the air was tangible, as the students of classes' 1<sup>st</sup> to 12<sup>th</sup> geared up for their school day, which was designed to showcase their hard effort, delight, and passion. This year's school day was divided into three sections-the primary section, middle school section and the high school section. The primary section presented the evergreen theme of friendship. The students of the middle school chose the leitmotif 'Srishti-energy unleashed' and elucidated the creation of the universe and all its facets. The higher secondary block completely blew the audience away by their versatility; and spread the message of harmony and ecstasy leaving the audience wishing for more.

## School Excursion

Dec 6,2014

One of the most awaited events of this year was the excursion for the students of tenth grade to god's own country-Kerala. The spellbinding trip to Munnar and Cochin, spanning four days was a truly memorable experience. The students travelled using various modes of transport such as trains, buses and cruise ships. This expanded their horizon dramatically. The students visited diversely distinctive places ranging from the largest mall in South India to an ancient Jewish synagogue. The highlight of the trip was of course the trip to Wonder La, which had all the students euphoric. The memories of the trip will last long after it was over.

## Anti-Bullying Campaign

Jan 12 - 17, 2015

A school wide intervention to deal with bullying in schools was launched in the assembly on January 12, 2015. The anti-bullying campaign, as it was called, was intended to create awareness of the types of bullying, prevention, seeking help and encouraging bystander intervention.

## Careers Day

Jan 24, 2015

The innumerable career options make the task of choosing a career a confusing one. So to resolve this confusion, the school hosts career counseling sessions and helps narrow down the options.

Complete with an aptitude test and several career talks, the workshop helped students to choose a career befitting their potentials and interests. Professionals from various fields came to interact with the students providing them with useful insights.

This year we had speakers for Journalism, Graphic and Product Design, Fashion and Interior Designing, Health Care, Hotel Management, Architecture, Biotechnology and Advertisement. Law, Pure Sciences and Psychology among other careers were held on few Saturdays.

## Hobby Day

Jan 31, 2015

### Theatre

The true potential of the students in the Theatre club was brought out; as they experienced the joy one feels in the art of drama and theatre.

### Mysore art

Our artistic heritage was revived in the Mysore Art club, as they explored different Indian art forms. Children learnt to differentiate between Mysore Art and Tanjore Art. They learnt techniques like how to use gold-leaf and also learnt the finer aspects of Mysore Art painting to create beautiful pictures of gods and goddesses.

## Cookery Club

The focus was on having fun and enjoying cooking. The children were guided well and learnt to make chaat and salad as well as main courses like Mexican pasta and Thai dishes. Apart from cooking, the children also learnt how to work in teams.

## Ship modelling

Ship modelling has always been an interesting science, and the club did perfect justice to this science, as the students made ships, inserted motors and painted the ships, making ships that actually ran in water

## Aero-modelling

Science and joy converged in the aero modelling club, where students learnt extensively about the science of aeronautics and made gliders that actually fly!

## Western dance

Students have had an exhilarating time in the western dance club, dancing to catchy songs like 'Where have you been' and 'Wrecking ball'.

## Animation

Students wore an animated expression on their faces as the Animation club trudged forward in the field of animation, making simple animations such as a bouncing ball, a journey to the moon and on subjects like the different types of pollution.

## Miniature Art

Students of class 8 prepared the surface boards and collected rare stories of Gautama Buddha. They presented their stories through paintings in a minimalistic style. The style taught was "Chaurapanchasika". Chaurapanchasika style belongs to West Indian School of native painting – known as Mewar School. The pictures help to understand the lyric. "Each picture is complete in itself as a verse or quatrain of Hindi Poetry".

Students drew stories based on episodes drawn from epics and puranas.

## Digital Wellness Week

Feb 3 – 12, 2015

Session on Digital Wellness was conducted across classes in the first week of February. Students were educated about the potential risks they might face when online. Preventive measures were discussed.

The curriculum was designed by Intel Education and Mc Cafee and was adapted by the ICT Department in the school.

STUDENT'S NAME	K-S-TANISH, SHASWAT GUHOSH
CLASS	H-C
ROLL No.	AGWIM-A-K, VISHWESHWARAN-K
DATE	6/02/2015

This workshop regarding cyber bullying was really useful. It has taught me about some activities that I see happening everyday, which are not right. It has shown me the way to manage myself on the internet. The workshop, indeed, is a eye opener & has made me realise about various consequences & dangers of the internet.

## CBSE Science Fair

Feb 8, 2015

This year, both the teams from the school emerged as regional winners in the CBSE Science Fair. The winning teams are:

1. Shruthi Sridhar and Rathi Kashi of class X – They worked on the topic “Automatic Speed Controller” which slows down a vehicle when it approaches a hospital or school.
2. Ananya M T of class X and Nikhita Kirthivasan of class VIII – This team worked on “W-E-W” (Water- Energy-Waste) facilitated by the Reap Benefit Team. They took simple measures to save energy, water and also to spread awareness on waste segregation.

## Farewell Ceremony

Feb 16,2015

Stunning young ladies and impeccably dressed young men were the very important guests of the special occasion – the farewell.

In her welcome address, Chetana Ma'am said, "Farewell has the sweet note of reluctance". This was evident as the speeches were made. Awards were given away to various achievers in classes 10 and 12. Teachers of class 10 and 12 spoke eloquently about these young achievers.

Speeches were made by few of the outgoing students of classes 10 and 12. Deepa Ma'am, in her speech urged students to follow their passion. She posed the question "What will you do differently if there is no fear of failure?" The new issue of "Gnanamantham", the school magazine was released. Rhea Dutta, the SEEK editor, said it was a humungous learning experience for her to work with an incredibly talented SEEK team. Teachers sang for the graduating class, to the delight of the young audience. The evening ended with a sumptuous dinner and many selfies, struggling to capture the sweet moments that recreate memories.
